

PLAY YOUR PART

Protect your community

We're playing our part to respond to COVID-19 by supporting the NHS Test and Trace service.

Please play yours by providing us with your name and contact details if asked.

We'll hold the details securely and provide them to the NHS if required, so that anyone who comes into contact with a new COVID-19 case can be notified quickly to minimise spread.

Remember:

- If you are contacted by the NHS Test and Trace service, isolate immediately and follow instructions
- If you develop COVID-19 symptoms, isolate immediately and book a test
